Additional courses to explore!

- **CSI:1270:0001**, *Start your semester strong! Designed to help student Veterans and current service members transition to the university, this course provides a solid foundation for your academic success, sense of community, and financial wherewithal at the University of Iowa. Time/Location 1:30P - 2:20P W 208 CALH*
- **RHET:1030: Rhetoric**, *a required general education course, often taken in a student's first year, has three sections with seats reserved for student Veterans and current service members to promote a veteran-friendly experience.*
- **CSI:1410 Life Design**: Students discover what they are innately drawn to do through stories, lectures, assigned readings, guest speakers, and reflective writing; integration of worldview and professional life; practical skills and exercises for investigating different career paths; cultivating mentors; relationship between ambition, drive, and success; role of happiness in achieving excellence and success.
- **PSY:1010 Learning about Learning**: Research about the human mind and brain that students can use to foster academic success at the UI; presentation of research findings that indicate best practices for studying, learning, and succeeding at the UI (not a remedial study skills course); topics range from retrieving information stored in memory to maintaining psychological health under stress; course format consists of lecture, student response to reading assignments, and discussion; readings are primarily original documents (journal articles).

For more information about these courses and which section to register for, please contact Tara Lamb, IVETS Director of Academic Resources at tara-lamb@uiowa.edu
