Welcome to the University of Iowa!

We are pleased to welcome you as a new member of the Hawkeye family. The transition to college can be a time of both excitement and anxiety for you and your student. Accordingly, we have developed this calendar to assist you with important dates and deadlines at Iowa, as well as helpful tips and information that will help make your student's first year at Iowa is as successful and fulfilling as possible.

About Iowa

The University of Iowa is a major national research university located on a 1,900-acre campus in Iowa City, Iowa. More than 33,000 students enroll at Iowa each year with 55 percent coming from Iowa, and 45 percent coming from other states or countries. International students from 113 countries make up 14 percent of the University's enrollment.

Established in 1847, Iowa has earned international recognition for its wealth of achievements in the arts, sciences, and humanities. Iowa was the first U.S. public university to admit men and women on an equal basis and the first institution of higher education in the nation to accept creative work in theater, writing, music, and art as theses for advanced degrees. It established the first law school and the first educational radio station west of the Mississippi, broadcast the world's first educational television programs, and has developed prominent educational testing.

IOWA LINGO

Here are some terms for you to become familiar with in order to better communicate with your student about college:

RA Resident Assistant; each residence hall floor has an RA who assists students and helps run the floor
TA Teaching Assistant; TAs are graduate students who assist professors in teaching courses
ICON Iowa Courses Online; your student’s online source for information and content for their courses

MyUI The online portal for University information and student records
LLC Living-Learning Communities; small groups of students who live together in residence halls and share common interests and goals
Iowa One Card Your student’s official University ID card
Hawk ID A combination of letters (typically your student’s first and last name) that is unique to each student used for identification and access to online University systems

University ID # The multiple digit identification number listed on your student’s Iowa One Card
Pentacrest The central hub of campus featuring the Old Capitol building at its center
Ped Mall Pedestrian Mall; the hub of downtown Iowa City featuring specialty stores, dining, and entertainment options

*For further phone and web contact information, see pages 24-27 located at the back of the calendar
Photography in this publication courtesy of Office of University Relations and Student Life Marketing + Design.
**Iowa Challenge** University of Iowa students are part of the Hawkeye family which includes students and alumni transformed by their experiences at Iowa. We ask our students to follow the example of those who have come before them, and rise to the challenge of these five expectations:

**Excel** Academic excellence means setting and meeting high standards for yourself as a student. Faculty, staff, and peers at Iowa ask students to work hard and push themselves intellectually. Students should expect only the best from themselves and the University.

**Stretch** At Iowa, students will find a diverse selection of people, ideas, opportunities, and experiences that make Iowa the unique institution that it is. We challenge our students to step away from the familiar, try new ideas, experience new cultures, and learn from people different than themselves.

**Engage** Students will become more successful and enjoy their experience if they are spending their time and energy on activities that truly matter. The University of Iowa offers almost limitless opportunities and resources to become a leader in and out of the classroom. We challenge our students to take advantage of them.

**Choose** Students make decisions every day that affect their education and future, and it is important for them to take their choices seriously and use their freedom wisely. An Iowa education will be what the student makes it, and we challenge our students to make it something they will be proud of.

**Serve** As members of the University of Iowa, students are a constituent of many communities both on and off campus. They have the opportunity and responsibility to be a good neighbor and citizen, and to serve the community. We challenge them to make the community a great place to live.
On Iowa! is a program for first-year and transfer students enrolling for fall semester. The core events will be Friday-Sunday, August 18-20, 2017. The official On Iowa! activities kickoff on Friday, when students will meet in small groups and travel to an opening celebration at Kinnick Stadium. There, students will participate in University of Iowa traditions including forming the annual block “I” photo and learning the Iowa Fight Song with their classmates. On Iowa! closes on Sunday with Convocation and the President’s Block Party.

During On Iowa! students will sample a University class, consider goals for the semester, and talk about what it means to engage in a campus community. Many pre-program activities are planned to coincide with students moving into the residence halls on Tuesday, Wednesday and Thursday, August 15-17.

ONIOWA.UIOWA.EDU

The Iowa Old Capitol Building is located in the Pentacrest. It was once the main government building for the state of Iowa, and it now stands as the most prominent landmark at the center of the University of Iowa’s campus.

### Managing Expectations and Transitions

#### Transition Tips for Parents

- Be willing to listen to your student
- Help your student by empowering them to take the initiative to solve their own problems
- Familiarize yourself with the campus resources that may be helpful for your student
- Send care packages or letters and keep in touch
- Remember that your student is experiencing a lot in their college transition
- Avoid second-guessing your student or providing too much supervision

---

### Questions to Ask Your Student:

- Which class are you most excited about taking this semester?
- Have you met any of your professors yet?

---

### Parents & Family Members' Webinar Series

The parent and family members’ webinar series provides a platform for the University of Iowa to engage with parents and family members in open forums for questions, concerns, and dialogue.

For more information visit: [uc.uiowa.edu/retention](http://uc.uiowa.edu/retention)
HEALTH & WELLNESS SERVICES

Student Health & Wellness (SHW) offers a wide range of services for your student. The staff is dedicated to the practice of college health and includes family practice physicians and physician assistants, psychiatrists, a gynecologist, registered nurses, medical assistants, a dietitian, and specialized health educators. Referrals to the specialists at University of Iowa Hospitals and Clinics are available for more serious medical issues. Additional services include nurses available by phone 24 hrs/day, vaccinations, allergy injections, travel consultations, on-site laboratory services, and educational workshops and events across campus. Consultations with providers and wellness staff are covered under the student health fee. The main SHW clinic is located in Westlawn, a building on the west side of campus, and is easily accessible by foot, bike, car, and all bus lines. There is also a smaller office in the lower level of the Iowa Memorial Union where Clinical Outreach Nurses are located. Students can see nurses for vaccinations, health questions, assistance with forms, and help scheduling appointments at the main clinic. For wellness services, students may visit either Westlawn or the Campus Recreation and Wellness Center (CRWC) on the east side of campus. Please visit studenthealth.uiowa.edu for more information.

COUNSELING SERVICES: We’re Here For You!

The University of Iowa offers to students a full range of culturally sensitive counseling and mental health services including group, individual, and couples counseling. It is the goal of University Counseling Services to assist students in maintaining a mentally healthy life and to assist students with mental health concerns when they negatively impact their overall sense of wellness and their academic and personal lives. All UCS services are without charge and are strictly confidential. There are UCS locations in Residence Education, the College of Dentistry, the Department of Athletics, and Westlawn. The UCS welcomes connection from our UI parents and families! Call us if you have concerns or need assistance! Find out more about the UCS at: counseling.studentlife.uiowa.edu.
The Office of Residence Education assists students with their transition to college and makes every effort to enhance their residence hall living experience. A variety of academic, social, and cultural activities and opportunities for students living in the residence halls are sponsored annually. Activities and events focus on the themes of the 27 LLCs and on introducing students to campus and community resources.

For more information, visit: housing.uiowa.edu.

A common concern of students living in the residence halls is “Will I get along with my roommate?” While the process of living with a stranger can be stressful for even the most easygoing student, the overwhelming majority of roommates live together well and form positive relationships. Here are some tips for you to share with your student in order to make their roommate experience a positive one:

- Communication is key!
- Be assertive; make sure your living situation is cohesive to your needs.
- Be open to new perspectives and ideas.
- You have a Resident Assistant for a reason; talk to them!

QUESTIONS TO ASK YOUR STUDENT:
- Where is your favorite place to study?
- Have you “Picked One” yet?
HAWKEYE ATHLETICS AND STUDENT RECREATION

A member of the Big Ten Athletic Conference, Iowa is home to 22 intercollegiate varsity teams. Hawkeye spirit is contagious when you join more than 70,000 screaming fans at Kinnick Stadium on a football Saturday or sit in the 15,500-seat Carver-Hawkeye Arena to cheer on the Hawkeye men's and women's basketball, gymnastics, wrestling, or volleyball teams. For information on purchasing student and parent tickets for athletic events, visit: hawkeyesports.com.

The mission of Recreational Services is to promote healthy lifestyles to the University community through recreational activities. Recreational Services strives to accomplish this mission every single day at four facilities on campus, including the award-winning Campus Recreation and Wellness Center. Quality recreational opportunities and experiences are offered for members, and the facilities provide healthy, respectful, and safe environments to ensure a positive atmosphere for all. Whether your student is interested in fitness, intramurals, sport clubs, or the outdoors, Recreational Services is guaranteed to be an important and fun part of their adventure at the University of Iowa. For more information, visit recserv.uiowa.edu.

**Did You Know?**

Your student can apply for financial aid using the FAFSA beginning October 1st. Find out more at: [fafsa.ed.gov](https://www.fafsa.ed.gov)

---

**Questions to Ask Your Student:**

- How are your classes going?
- Any difficult midterms coming up?
- What’s your favorite part of being in college so far?
- Do you need my help with completing the FAFSA?

---

**Financial Matters**

As the new year begins, it is important to start thinking about financial aid for the next school year. **Students can apply for financial aid by using the Free Application for Federal Student Aid (FAFSA) on the web at [fafsa.ed.gov](https://www.fafsa.ed.gov).** To apply for need-based aid programs for the 2018-19 school year, make sure your student submits the FAFSA as soon as possible after October 1, 2017.

---

*The staff in the University of Iowa Office of Student Financial Aid assists students and parents in obtaining the necessary financial resources to attend the University.*

*Cathy Wilcox*

Senior Associate Director in the Office of Student Financial Aid
REGISTRATION FOR SPRING CLASSES

Registration for the spring semester occurs during the end of your student’s first semester.

Through MyUI, students can check course availability and register for classes on any computer with internet access. Students are also required to meet with their academic advisor prior to their registration date. Registration may be impeded if students have:

- Failed to pay their U-Bill
- Not submitted proof of their measles, mumps, and rubella immunization to Student Health & Wellness
- Not submitted their final academic transcripts to the Office of Admissions
### Did You Know?

Your student is required to meet with an academic advisor before registering for classes. Each student has an assigned advisor who is expecting and wanting to help your student make an academic plan of study.

### Questions to Ask Your Student:
- Have you talked with your instructors during office hours?
- In what ways have your interests changed this semester? What kinds of classes might you be taking in the spring?

### Academic Success

By November, students will have settled into their academic routine, taken mid-term exams, and completed challenging academic work. If they aren’t happy with their progress, it’s not too late to try new academic strategies and resources. University instructors hold office hours as an opportunity for students to ask questions about course material and assignments. The University also offers a variety of academic assistance, including tutoring, supplemental instruction, help labs, and many library services. Details are at [tutor.uiowa.edu](http://tutor.uiowa.edu).

During November, students will also continue their conversation with their academic advisor about their academic plan and the academic resources available to help them succeed. They should expect to discuss their final course choices for spring at their registration appointment in early November. Most first year students are advised in the Academic Advising Center (AAC); students who were admitted directly to the College of Business, Engineering, Public Health, or Nursing have an advisor within their college. Academic Advising Center information can be found at [advisingcenter.uiowa.edu](http://advisingcenter.uiowa.edu).

- In what ways have your interests changed this semester? What kinds of classes might you be taking in the spring?

Many students are able to help finance their education through income earned from a part-time job. The University of Iowa offers a variety of part-time jobs on-campus. In addition, jobs are available off-campus in the Iowa City/ Coralville community. Here is information to aid your student in finding a part-time job: [financialaid.uiowa.edu/studentemployment](http://financialaid.uiowa.edu/studentemployment)
HOW TO HAVE A GOOD BREAK

Winter break is an important time in the evolving relationship between you and your student. This is likely the first time that they will be home with you for an extended period of time since starting at Iowa. Remember that it is important for them to have their independence, but they may still need you for many things. **Communication is key!** Discuss rules for their stay at home. While it is important for you to respect their individuality, your student still needs to know that there are rules and courtesies to be observed. Also, ask questions! Honest inquiries and open conversations about your student’s experiences form the basis of a positive relationship between you and your student.

### Did You Know?

It’s important to speak with your student about rules for Winter Break in order to make it a pleasant experience for everyone.

### CENTER FOR DIVERSITY & ENRICHMENT

The mission of the Center for Diversity and Enrichment (CDE) is to help create a critical mass of students from communities underrepresented in higher education and build a welcoming and safe campus climate for them. CDE provide the primary leadership and coordination for outreach and service to students who identify as a racial/ethnic minority, first generation, a member of the LGBTQ community, a veteran, or a student with a seen or unseen disability. CDE services and programming promote student success and enrichment, community building and inclusion, establish pre-college pipelines and college access, and provides diversity training to student populations to increase retention of underserved students and enrich their experiences at the University of Iowa.

### Questions to Ask Your Student:

- How is studying for finals going? What are you doing to de-stress?
- Can you bring home a copy of The Daily Iowan over break?

### Nadine Petty, Ph.D.

Director, Center for Diversity & Enrichment
OFF-CAMPUS HOUSING

If your student is considering living off-campus, the Off-Campus Housing Service may be a helpful resource. This online service lists apartments, houses, condos, and rooms for rent in the Iowa City and surrounding areas. Monthly rental rates vary depending on the distance from campus, age of the building, and services and utilities included in the rent. Visit offcampushousing.uiowa.edu for more information.
**QUESTIONS TO ASK YOUR STUDENT:**

- Are you excited to get back into the swing of things after break?
- What are your housing plans for next year? Do you plan to live off campus or in the residence halls?

---

**CAREER PREPARATION**

One of the most important facets of your student’s journey is the need to start preparing for their future career. **The Pomerantz Career Center assists students with career exploration and professional development.** How can you help your student meet their career goals?

- Encourage an appointment with a Career Advisor who will be knowledgeable about your student’s major and can discuss related occupations.
- If your student is an open major, recommend taking a career assessment.
- Suggest joining a student organization or volunteering in the community so your student can gain new skills and build their résumé. Plus, employers like to see campus and community involvement!

For more information, visit: [careers.uiowa.edu](http://careers.uiowa.edu).

---

**Did You Know?**

Most students are in the process of signing a housing lease for fall 2018 before or by February. For more information, visit: [offcampushousing.uiowa.edu](http://offcampushousing.uiowa.edu).
The opportunity to study abroad and encounter another culture directly is one of the richest educational experiences available. The university encourages your student to study abroad and sponsors more than 150 programs in the Americas, Europe, Asia, Africa, and Oceania.

By planning ahead, a student can study abroad and stay on schedule for graduation, and can satisfy requirements for a major, a minor, and/or a certificate, as well as requirements for the General Education Program. Students with majors ranging from accounting to theatre arts participate each year.

The cost of study abroad programs are dependent on several factors. These factors include the design of the program, the local cost of living, length of the program, and whether a student is an out-of-state student or an in-state student. In most cases, institutional aid and federal financial aid can be applied toward a study abroad experience, making study abroad affordable for all students. In addition, the UI Study Abroad office awards approximately $600,000 a year in scholarships and grants.

Programs are available during the summer and winter terms, in addition to semester-long and year-long options. Where, when, and how long your student studies abroad depends on their academic and personal objectives.

Encourage your student to visit the Study Abroad office to explore options, and plan for their study abroad experience. It is never too early to start planning!

Study Abroad
International Programs
1111 University Capitol Centre
319-335-0353
international.uiowa.edu/study-abroad
The University of Iowa has multiple resources to help your student get around campus safely. The most notable of these is the CAMBUS system. CAMBUS is a fixed-route bus system providing service to the entire campus. Bus stops are located conveniently throughout the campus and provide frequent service to the residence halls. CAMBUS rides are free and available to everyone. The Bionic Bus operated by CAMBUS is a specialized service for persons with disabilities. Students can track real-time locations of buses through the BONGO information system. Visit BONGO online at ebongo.org or download the app.

It is recommended that students do not bring a motor vehicle to campus due to limited, costly hourly parking. However, lower-cost storage lots are available to students living in the residence halls. These parking lots are intended for long-term storage, such as between trips home. Located on the peripheral campus, the storage lot is accessible by CAMBUS. Students who bring motorcycles, scooters, and mopeds to campus may obtain a permit allowing them to access motorcycle parking lots throughout campus. They may not be parked at bicycle racks on campus.

All students bringing motor vehicles of any kind to campus are required to register the motor vehicle with the Parking and Transportation office. Registration can be completed either online through the “My Parking” link at MyUI.uiowa.edu or in person at one of the parking offices.

More information about all Parking and Transportation services can be found at transportation.uiowa.edu.

**QUESTIONS TO ASK YOUR STUDENT:**
- What are you looking forward to most this semester?
- Let’s talk about Spring Break. What are your plans?

**Did You Know?**
The University has a free writing center to assist students with papers. For more student study tips, visit: writingcenter.uiowa.edu

**February U-Bill Due**
ALCOHOL AT IOWA

Alcohol use is a concern on campuses across the country. At Iowa, this issue is addressed through a variety of harm reduction strategies. Through these efforts, Iowa students are drinking less and experiencing fewer harms than ever before. Families play a vital role—our parent handbook provided at orientation gives research-proven guidelines for conversations to help keep your student safe and healthy at college.

**Did You Know?**
The Pomerantz Career Center offers numerous resources for your student including interview skills, resume writing, and connections to internship, job, and volunteer opportunities.

Visit careers.uiowa.edu for additional information.

---

**We know students may experience challenges during their college career that impact their ability to fully participate academically and socially on campus. We provide coordinated efforts with our campus partners to assist students in overcoming these challenges to get back on track to achieve success at Iowa.**

Angie Reams, Ph.D.
Assistant Dean of Students
Director, Student Care and Assistance

---

**TALK TO YOUR STUDENT BEFORE SPRING BREAK**

While your student navigates their journey at the University of Iowa, it is vital that you talk with them about their academics and co-curricular activities so that they may make the most of their educational experiences. It is important that your student is given the knowledge and tools necessary to make informed decisions. For example, the week prior to spring break is the perfect time to speak with your students about drugs and alcohol.

**QUESTIONS TO ASK YOUR STUDENT:**
- How have you been able to get involved on campus?
- How are midterms going?
SAFETY ON CAMPUS

The University of Iowa Department of Public Safety (UDIPS) is a 24-hour operation dedicated to providing each member of the University of Iowa community with a sense of security throughout campus by promoting a safe learning environment. Trained and experienced state certified police officers, security officers, and emergency communication personnel contribute towards achieving the mission through education, training, community outreach programs, and crisis intervention. Additional information can be found at: police.uiowa.edu.

Student services include:

- **NITE RIDE** is a transportation service for all genders operated by the security division. The service provides free rides home to students between 7PM and 6AM, seven days a week.

- **Personal Safety and Self Protection** is a presentation that covers the principles of personal safety and self-protection as well as the philosophy of resistance. The course also covers risk reduction, which accounts for 90% of self-defense.

- **Rape Aggression Defense (RAD)** is the largest women’s self-defense program in the country. Women learn how to defend themselves in the event of a physical attack through instructions by nationally certified R.A.D. instructors.

- **The Rave App** is a cell phone app that is supported by the UI Police Department. To use the “Rave Guardian” simply create a profile using your "Uiowa" email address to gain access to the Hawk Watch network, which allows you to call UI Police directly, select virtual guardians, and send anonymous crime tips.

- **Violent Incident Survival Training (VIST)** is an active shooter training program built upon the principles of a nation-wide program called A.L.I.C.E., which stands for Alert, Lockdown, Inform, Counter, and Evacuate. It is a flexible set of principles that may be adapted to any violent situation.

**Did You Know?**
The University of Iowa has eight full-service libraries with study space for your student as finals week approaches.

**SEXUAL CONSENT**

At the University of Iowa, we treat issues concerning your student’s safety with the utmost importance. Our consent initiative is aimed at educating students about the University’s consent policy, and can be reviewed at [dos.uiowa.edu/assistance/consent](http://dos.uiowa.edu/assistance/consent). The Rape Victim Advocacy Program (RVAP) also provides students with support, advocacy, and information regarding sexual abuse, as well as support and information for victims and their friends and family. RVAP provides counseling for current or past victims of sexual assault, sexual abuse, stalking, and sexual harassment. All services are free of charge, confidential and available to everyone 24 hours a day by calling the crisis line (for additional resources, see Student Safety on page 27 at the back of the calendar). RVAP is online at: [rvap.uiowa.edu](http://rvap.uiowa.edu).

> **My colleagues and I are inspired to continue the significant history of advocacy and activism at the university. RVAP’s compassionate staff and volunteers are available 24/7 to confidentially support anyone impacted by sexual violence.**

Adam Robinson
Executive Director
Rape Victim Advocacy Program

**QUESTIONS TO ASK YOUR STUDENT:**
- What is the plan for summer? Coming home? Internship? Summer classes?
- What classes are you taking next semester?
MOVING OUT

Time flies when you’re having fun—your student has completed their first academic year at the University of Iowa. If your student is living in the residence halls, University Housing & Dining requires them to officially check-out of the residence halls within 24 hours after their last final. The room check-out process includes turning in all keys that have been checked out to the student and providing a summer address for mail forwarding. Each RA will have a final floor meeting to discuss exactly what students must do to properly check-out of the residence halls. To speed up the process, bring your own moving supplies. While the 24-hour desks in each complex provide students with a host of services, they are unable to provide packing and moving services for such a large number of students. Empty boxes, packing tape, cleaning supplies, and a dolly will keep you moving right along!
## CELEBRATING A SUCCESSFUL YEAR

You and your student have completed your first year as members of the Hawkeye family. Take time to celebrate, show your Hawkeye spirit, and continue the proud tradition of the University of Iowa. On Iowa and Go Hawks!

The word is “Fight! Fight! Fight! for IOWA,”
Let every loyal Iowan sing:
The word is “Fight! Fight! Fight! for IOWA,”
Until the walls and rafters ring (Go Hawks!)
Come on and cheer, cheer, cheer, for IOWA
Come on and cheer until you hear the final gun.
The word is “Fight! Fight! Fight! for IOWA,”
Until the game is won.

Written by Meredith Willson

---

### QUESTIONS TO ASK YOUR STUDENT:

- Finals are right around the corner—what are you doing to prepare?
- How can I help with your move out process? When is move out?
Earning a degree at Iowa
Your student will be working toward a degree consisting of 3 components—General Education Program coursework, major coursework, and elective coursework. The General Education Program consists of coursework designed to provide your student with the skills needed for a lifetime of learning. Your student will learn how to pose questions, find answers, evaluate attitudes and beliefs, and adapt to change by taking courses in the General Education Program. Major coursework exposes students to the academic field of their choice, focusing on in-depth study of complex problems, issues, and ideas. Work in the major encourages students to form academic ties with both instructors and peers. Elective coursework rounds out a student’s degree program. These courses are not specified, so students can follow their interests and passions.

Minors and Certificate Programs
Students who seek additional study in interdisciplinary or other areas may choose to complete a minor or certificate as well as their bachelor’s degree program. Students can earn a minor or certificate in any area that offers one—even in another college within the University.

Semester Hours
A semester hour (s.h.) is a unit of measurement. Each course is worth a certain number of semester hours of credit, with this number corresponding roughly to the number of hours spent in class each week. The semester hours a student earns in each course are added together to determine a student’s classification:
- First-Year: 0-29 s.h. earned
- Sophomore: 30-59 s.h. earned
- Junior: 60-89 s.h. earned
- Senior: 90 + s.h. earned

Degree Audit
Each student has an individual degree audit, located on MyUI (MyUI.uiowa.edu). The degree audit helps your student to monitor progress towards graduation by comparing the coursework completed to the coursework required for the degree. The degree audit also tracks a student’s GPAs.

Academic Policies
You can find information regarding each of the following topics on the website of the Office of the Registrar (registrar.uiowa.edu).
- Academic policies of specific undergraduate colleges (links are in the MyUI Student Handbook)
- Graduation information
- Policy on human rights
- Policy governing undergraduate and professional students enrolled in courses outside their own college or degree program
- Registration information
- Release of student records
- Significant deadlines for the 2017-18 academic year
- Statements on diversity and religious diversity
- Student complaints concerning faculty actions
- Tuition information: tuition assessment, resident classification for tuition purposes
- University terminology

Grade Reports
Grades are reported on MyUI about a week after the end of exam week. Students are able to view grades at MyUI.uiowa.edu.

Final Examinations
Dates and times of all final examinations are announced around the fifth week of classes. Your student will receive this exam schedule from the Registrar through email at their uiowa.edu address. Your student should consult this schedule before making any travel plans.

Remind your student to check their uiowa.edu email address frequently for important news and reminders.

Four-Year Graduation Plan
Nearly all students who enter the University as first-time students are automatically eligible for the Four-Year Graduation Plan, which promises that students will be able to enroll in the courses they need to graduate in their primary major in four years. Students wanting to stay on track for a four-year graduation need to work closely with their advisors to make sure they understand the course requirements that must be met, as well as the appropriate course sequences. The Four-Year Graduation Plan is simple in design. The University promises that graduation in four years will not be delayed by the unavailability of courses. In turn, students promise that they will meet the benchmarks (called “checkpoints”) that have been established for ensuring progress towards the degree. There are, of course, responsibilities on both sides. For instance, students must take advantage of advising and take responsibility for checking their progress along the way. They must also notify their major department in a timely way if they need help getting into a required class. Together, the University and the student ensure a four-year graduation is a goal each student can accomplish.
Academic Recognition

University of Iowa Honors Program

Honors at Iowa connects its members with engaging coursework, enriching experiences, and an honors community of students, staff, and faculty in support of academic achievement and self-discovery. Students who complete the University Honors curricular requirements earn University Honors recognition on their transcripts and diplomas at graduation. Students qualify from high school with a 3.8 GPA or higher and an ACT score of 30 or higher (or the SAT equivalent). Transfer students qualify with a cumulative GPA of 3.5 or higher on at least 24 semester hours (s.h.) of transferable credit. Current students who did not qualify from high school become eligible when they achieve a UI Cumulative GPA of 3.5 or higher before completing 60 s.h. of coursework at Iowa.

Dean’s and President’s Lists

The Dean’s List recognizes undergraduate students who achieve a GPA of 3.50 or above on 12 s.h. or more of graded work and who have no hours of I (incomplete) or O (no report) for that semester. The President’s List recognizes undergraduates who achieve a GPA of 4.00 for 12 s.h. or more of graded work and who have no hours of I (incomplete) or O (no report) for two consecutive semesters (excluding summer sessions).

Changes in Registration – Adding or Dropping a Course

Please visit the Office of the Registrar website for the most current registration information, registrar.uiowa.edu and choose the Registration tab. Types of registration changes include adding or dropping a course and changing sections or hours in a course. Once changes in registration are no longer allowed in MyUI, students will submit change of registration forms with required signatures to the Registrar’s Service Center, 17 Calvin Hall, for processing. Under the Registration tab students can click on Changes in Registration to download the Change of Registration form and review which signatures are required for each changes.

University Bill (U-Bill)

Student U-Bills are created on the 1st of each month and are available online through MyUI. The first bill for the fall semester will be ready August 1st and January 1st for the spring semester. Students receive an email to their UIowa email account at the beginning of each month, notifying them that their U-Bill is available to review online. Students may choose to set up a Guest Account so that a guest or parent is able to view/pay the U-Bill each month.

Payment for the U-Bill is due on the 22nd of each month. There are two payment options:

- Payment of Total Balance Due
- Deferred Payment Plan: Tuition and contracted Housing and Dining charges can be deferred and paid over the first 3 months of fall and spring semesters. By paying the minimum payment due listed on the monthly U-Bill, students are automatically enrolled in the Deferred Payment Plan. You will be charged a $20 fee each semester, should students choose to take advantage of this payment option.

If a payment of at least the Minimum Payment Due is not received by the monthly due date, the account may be charged a $25 late payment fee.

U-Bill payment methods include:

- Online - through MyUI using a checking or savings account
- Mail - checks can be mailed to the payment processing center, address listed on the U-Bill Payment stub

Tuition and fees information can be found at: registrar.uiowa.edu.

The IMU is the campus headquarters for student life and activities. It's a great place to meet friends, relax, study, or grab a bite to eat. The IMU offers the following conveniences:

- Center for Student Involvement & Leadership (CSIL) - 1st Floor
- Hills Bank - Ground Floor
- Instructional Technology Center - 1st & 3rd Floor
- Iowa Hawk Shop - Ground Floor
- Iowa House Hotel - 1st Floor
- Iowa Theater - 1st Floor
- Learning Commons and Quiet Study Space - Ground Floor
- Lounge Areas - throughout building
- River Room Café - 1st Floor
- Student Activities Center - 2nd Floor
- Union Market Convenience Store - Ground Floor
- Union Station Food Court - Ground Floor
- University of Iowa Student Government (UISG) and Graduate & Professional Student Government (GPSG) - 2nd Floor
- Welcome Center - 1st Floor

Lost or intentionally damaged cards incur a replacement fee. For questions, contact the Iowa One Card Center at 319-335-2716 on weekdays between 8am and 4:30pm or visit idcard.fo.uiowa.edu.

The Get Started Guide provides a handy checklist for students to get set up with technology. Some of the topics include:

- **Buying a new computer:** All students are eligible for education discounts on personal computer purchases.
- **Software:** UI students have access to many software titles, including the ability to install Microsoft Office on up to 5 computers for free.
- **Internet Access on Campus:** Wireless connectivity on campus (called eduroam) is available in all buildings, residence halls, and many public spaces. Students living in dorms receive wired Internet access (called ResNet). An Ethernet cable is required.
- **Computer Labs and Printers:** Students have access to many computers and printers on campus in labs called Instructional Technology Centers (ITCs).
- **Office 365:** Microsoft Office 365 is the UI’s email system (50GB storage). It also provides access to file storage, Microsoft Office Online, and much more.

Visit the Get Started with Technology Guide at: its.uiowa.edu/techstart

Students with technology questions should contact the ITS Help Desk by phone at 319-384-HELP (4357), by email at its-helpdesk@uiowa.edu, or visit our website at its.uiowa.edu.

The office of the Dean of Students provides assistance to students experiencing crisis and emergency situations.

- Hospitalizations
- Medical emergencies or illness
- Mental health concerns
- Death of a family member
- Natural disasters - Fire, Displacement, Tornado, etc.

If a situation arises or you have questions, concerns, or need more information, please contact the DOS office by phone at 319-335-1162, by email at dos-assistance@uiowa.edu, or visit dos.uiowa.edu/assistance.

Getting Home and Back

Bus service to and from Iowa City is offered by Burlington Trailways and Greyhound bus lines. The depot is located at 170 E. Court Street. Airports serving the Iowa City area are: Eastern Iowa Airport (25 miles from campus) and Quad Cities Airport (65 miles from campus). Additionally, Megabus offers transportation to Chicago, Des Moines, Quad Cities, and Omaha.

Iowa City also features the Suburban Express weekend bus service during the academic year from the Iowa Memorial Union to Oakbrook and Woodfield shopping malls near Chicago.

For more information:
- Burlington Trailways: burlingtontrailways.com
- Greyhound: greyhound.com
- Megabus: megabus.com

Rights and Privileges

As a member of the University of Iowa community, students can enjoy certain rights and privileges. Among these are the right to be free from discrimination and sexual harassment, the right to discuss and exchange ideas, the right to be involved in University governance, and the right to privacy. The University is guided by a single principle that is reaffirmed in our publications: The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities.
